Attantic Electropies: Gentlemen—for the past five years my wife has been a sufferer from dyspepis. So completely did the disease make a wreck of her former self that life was almost entirely destroyed, and the slightest noise would throw her into a nervous spasm, which would last for hours. Medical skill failed to bring any reflice.

First.

Through the recommendation of an eminent divine we were induced to try the Electropoise. After a persistent use of the instrument, the effect has been wonderful. Her nervous system has been restored to its almost normal condition; her digestion is wonderfully improved; site is rapidly gaining in fiesh; and, upon the whole, is making a rapid recevery, which speaks volumes for the wonderful curative powers of the Electropoise, as her case was considered hopeles. If any are ekeptical on the subject, let them try the Electropoise, and its wonderful powers will quickly dispet all doubt. Yours truly, W.M. PROPET.
